

## Little Church School Parent Comments/Evaluations 2009-2010

### Positives:

- Fits life styles/schedules (Great for homeschoolers)
- Resources were wonderful for parents (will use over and over)
- Parents were grateful for the packets and resources
- It's not during a Sunday (want to go to church & have the rest of the day)
- Time slot was good
- Focus was more on Orthodoxy (rather than general religious instruction)
- Fellowship with Father
- Music instruction

### Negatives:

- Having church school on Sunday was good for kids (helped break up attention span.)
- "Less was less" for a house with a busy lifestyle
- Older kids need more service oriented activities/meetings
- Projects in the community are needed for the older kids

### Suggestions:

- Use YouTube to show examples of services (monasteries, etc.)
- Use *The Companion* as supplemental information
- Take pictures of class activities
- Service oriented projects:
  - LUM meal
  - Homeless shelters
  - Day shelters
  - Senior centers
  - Big Brother/Big Sister?
